The recovery rally is being held at Julia Davis Park at the Boise Pavillion. Attached is a map and directions to the rally spot.

We ask that you check-in at the Welcome Table and pick up your Vendor Packet which will have your Vendor Table assignment and a strip of Carnival Game Tickets. We are asking each table to offer 1 ticket to rally attendees who visit your table so that everyone can learn about the recovery support services and resources that your organization offers in our community, *Tickets can also be won by playing any of the Carnival Games. Tickets can then be used to "buy" carnival prizes at the Prize Tent. :)

We hope that you enjoy Boise's 10th Annual Recovery Rally and thank you for participating. If you have any questions, please do not hesitate to text/call/email us at PEER Wellness Center.

Best route to the Boise Pavillion at Julia Davis Park

Although the address for Julia Davis Park is 700 S Capitol Blvd, the easiest and fastest way to get to the “Boise Pavillion” is to take **Capitol Blvd towards downtown** and **make a Right on E Park Blvd** - staying in the right hand lane. There is a **stop light at 3rd Street** where you will want to make a **Right hand turn**. You will see the Boat House to your left before you **come to the end** of the 3rd Street entrance. **Turn LEFT**. Once past the duck pond you will see the recovery rally site on the left. *There is a small turnout on your left where you can TEMPORARILY park in order to unload your booth materials.* If that space is full, please feel free to pull around the Pavillion and to the left into the parking lot that circles the rally area.

We have to ask that all vehicles be clear of the Unloading Area by 1:30pm as the food truck vendors will be parking there and setting up from 1:30pm until 6:00pm. **If you think you are lost and need help finding us, please call Tara at 208-258-7521.**
