

RECOVERY...it's a COMMUNITY thing.

July 1, 2019

Dear Community Partner,

PEER Wellness Center serves people in our community who are in or working toward recovery from substance use disorders. Every year we help more than 30,000 people learn about and live successful lives of recovery. These people are our friends and neighbors; they are community members who learn the skills to make their lives and their community better.

This work is extraordinary fulfilling. We know that we are sharing our stories to inspire and help others grow and thrive. We know we make a difference every day.

We would like to invite you to be a part of our great work through a sponsorship of the Idaho Recovery Open Awareness Ride (IROAR) that happens on Labor Day weekend. This is a wonderful opportunity for you to support this event and the work of Idaho's recovery centers.

Attached is an IROAR sponsorship brochure. It provides details of this 1,400 mile ride through the state. It also lists a variety of sponsorship opportunities. We would love to have you as a partner in this event. All proceeds raised through sponsorship go to the recovery community center.

Along with cash donations, we are also happy to accept in-kind sponsorships in the amount listed. If you can provide products or services to support the event, you will receive the same benefits.

If you or your company is interested in being our official event sponsor, please reach out to me at chris@peerwellnesscenter.org. We can't wait to hear back!

With warm regards,

Chris Mecham

Chris Mecham,
Director of Center Operations – PEER Wellness Center
